

Discounts on Car Rental

Save up to 25% off the standard rate on economy size all the way up to luxury vehicles. Americas best known and most reliable car rental agencies, Alamo, Avis, Hertz and National provide you discounts every time you rent a car.

When making your advance reservation, call the toll-free number for the car rental agency of your choice. Give the representative the car rental ID number and be sure to ask the representative about any special discounts that might be available at the time of the rental such as free weekend day, upgrades, etc. All rentals are subject to standard car rental driver and credit requirements.
