

Meridian Health Systems ACO Corporation

Shared Savings Distribution Methodology

Meridian Health Systems ACO Corporation will distribute 50% of the shared savings received from CMS to ACO participating providers based on the following criteria:

1. Number of unique aligned Provider beneficiaries during the performance year.
2. Performance of administrative functions within the ACO
3. Attendance to ACO Meetings or Teleconference Calls
4. Use of Technology
5. Compliance with All Federal Regulations Governing the MSSP program.

Meridian Health Systems ACO Corporation will re-invest the remaining 50% of shared savings in infrastructure development.
