Disclosure: The HealthAllies Discount Program is administered by HealthAllies, Inc., a discount medical plan organization located at 505 N. Brand Blvd., Suite 850, Glendale, CA, 91203, 1-800-377-0263. **HealthAllies is not insurance.**

HealthAllies provides discounts at certain health care providers for medical services. HealthAllies does not make payments directly to the providers of medical services. The program member is obligated to pay for all health care services but will receive a discount from those health care providers who have contracted with the discount plan organization.

The program member may cancel at any time. If the program member cancels within 30 days of enrollment (within 30 days of receipt of membership materials for residents of CO, IN, MO, MT, ND, OH, OK, SC, and SD), you will receive a full refund. (The application fee is not refundable except in AR, CO and TN.) Note to Utah residents: This contract is not protected by the Utah Life and Health Guaranty Association. The program and its administrators have no liability for providing or guaranteeing service or the quality of service rendered.
